Wind Racer Competition Rules

1. All vehicles must be wind powered. Transfer of energy is acceptable however, no batteries are permitted. In the event of a still day, the crew can push or pull by hand.
2. Vehicles must have a minimum of 3 wheels, or anything up to and including 84. Wheel sizes must be a minimum of 5" or larger.
3. The crew will consist of at least two or more people; all human, or as close as possible.
4. All vehicles must have effective braking & directional controls. Both systems must be tested and ruled acceptable before the competition.
5. All entrants must assume liability for themselves & crew.
6. No commercially made vehicles.
7. Wagons must be constructed to carry one or more people. The captain has to ride his vehicle over the entire course.
8. Overall height limited to 13 ft. 6 in.
9. No chewing tobacco if the wind is over 15 knots (to avoid splashing the spectators).
10. "Wind Wagon Thomas" & other professional teams not eligible for entry.
11. Points will be deducted for destroying spectators.
12. Biting, kicking, striking, or gouging any officials will not be tolerated. However, BRIBES will be taken into consideration.
